Rooms have one twin bed with 1/2 bath. I do have **one** pair of rooms with adjoining door but no water view. First registration to ask for that, gets it..

**What to bring**

Positive, friendly attitude

Beautiful batik fat quarter to exchange

Deezines or Toni Whitney pattern and either Toni's fabric kit, (I can bring some if ordered ahead) or your own fabrics.

One extra copy of the pattern pieces pages. Not sure if we'll have access to a copier if you forget!

- \* Personal iron under 200 watts
- \* Transparent Teflon applique pressing sheet.
- \* Small very sharp scissors (and one larger pair for paper, optional)
- \* Light Steam-a-seam fusible (no substitutions)
- \* Tweezers

**\*These items available for sale during retreat**

Optional

Chair cushion      Show & tell (limit 2)      Light box.

Clear overlay of placement guide (ask, if you don't understand)

Toni's projects usually require more than a couple days to complete. So unless you've already started yours, or you just want to practice free motion quilting, you will probably not need your Sewing machine. (Your call)
